**Hear what college ballplayers are saying about PPTC'S College Prep Programs:**

"The recruiting process can be overwhelming for parents & players. We started the process early in Jesse's HS career, attending Pro Prospects' showcases. During Jesse's junior year, Steve sat down with us and helped us formulate a game plan & was there throughout the whole process. Pro Prospect's College Marketing Service was invaluable in securing scholarship offers & helping Jesse to achieve his goal of a D-I scholarship"

**Jim & Barbara Johnson,**  
 Parents of Jesse Johnson,  
 Pennsylvania AAA HS Player Of The Year,  
 Long Island University (D-I)

"My mentoring here has increased my velocity, improved my mechanics and helped me reach my goal of playing in college."

**Michael Quick, Concordia U (D-II)**

"Within two months, Coach Pinto had me looking like a totally different ballplayer. His knowledge of the game, dedication and patience made it a simple transition. I've since been contacted by 20 universities and have transferred to (Division I) Iona where I will play this spring."

**Mike Tornatore, Iona College (D-I)**

"The College Marketing Service really helped me get organized & narrow down my search. The most beneficial part was the video. You see where your hard work has led. Without Pro Prospects and their College Marketing Service, I would not be playing at my number one choice of college."

**Ashley Risco, SUNY Oneonta**

"If it wasn't for Pro Prospects, I wouldn't be in the position I'm in today."

**Andy Petersen, (All-Conference), SUNY Brockport**
